

**Young Adults Small Group Questions // DATEABLE**  
**Week 5**  
**2/24/2022**

This week's lesson: **BECOMING SOMEONE IS GREATER  
THAN FINDING SOMEONE.**

**I. Warming up:** (5 min)

- 1. TAKE ATTENDANCE & ADD NEW PEOPLE (1ST & LAST NAME, ADDRESS, PHONE)**
2. GO OVER GUIDELINES

**II. Going deeper:** (45 min)

1. What are some things you're looking for in the person you want to date?
2. Has it been hard or easy for you to find someone with all the characteristics on your list?
3. We put effort into our lists, but what kind of qualities do you think the "right" person for you is looking for?

4. The triangle diagram that Bill told us about presented some problems for marriages. Can you remember what those potential problems were?
5. Can you recall the three words that Bill explained that describe Jesus' way to help us become someone worthy of a relationship with God's daughter or God's son?
6. What fruit from God in your life makes you "attractive" to others who are seeking a relationship with another person?
7. Who is it that helps God prune your fruitless branches, and how best do you receive that pruning?

**Make a commitment to walk with each other.** (Get super practical. Don't push people if they are not ready yet. Allow God to tug at their hearts and just love on them!)

**III. Share & Pray for each other:** (10 min)
